Dear Nth Degree Entertainment Group,

I wanted to personally congratulate you on your outstanding track record of success! Obtaining over 100 reviews does not happen overnight and this award is a result of your hard work and commitment to collecting quality feedback from your clients. We know that reviews are not only important for your business' reputation, but also essential to increasing your exposure and attracting potential clients. With over 100 reviews you should feel extremely proud of your success!

As a result of your achievement, I'm excited to welcome you to the **WeddingWire Rated™ 100 Review Club**, where, throughout the year, you will earn extra WeddingWire perks including complimentary clings and easel signage to promote your business, discounts to WeddingWire World conferences and more. We created the 100 Review Club as a way to recognize, reward and thank valued members like you, for your dedication to providing exemplary service to clients and making your businesses successful. Thank you for making WeddingWire a part of your team!

I hope you enjoy being part of the 100 Review Club and hope that you keep collecting stellar reviews! WeddingWire is here with you every step of the way, so don't hesitate to shout if you need anything. My personal email at WeddingWire is [cmo@weddingwire.com](mailto:cmo@weddingwire.com).

Congratulations, once again, on this fantastic achievement!

Sincerely,
